

FIRE PIT DEDICATION

On April 23rd a small group of friends of the Museum gathered to dedicate the memorial fire pit by the dam and upper falls. Chairs and benches were donated in honor of lost loved ones. The cast iron kettle that is surrounded by stones was a gift of Lois Bruner in memory of her late husband John. Tom Church, Rue Fillingham, Jim McKee, Joi Johannson, Fay VanZant, and Joan Sharp are all included in the memorial. These friends held a warm place in our hearts and their legacy will warm future visitors for many years to come.

UPDATE ON FRIENDS AND FORMER EMPLOYEES

Lindsey Knoer graduated with honors from UTC in May and was accepted into the doctoral program for Physical Therapy. Her sister Ashley received honors as the favorite nurse in Franklin County. Ashley works in labor and delivery at Southern Tennessee Medical Center in Winchester. Jaclyn (George) Jennings completed her Masters Degree in English and her twin sister Rebekah Meadows and her husband James have moved to Winchester. Becca has taken a position as a director of planned giving for the Salvation Army. Brittany Hill, a rising senior at UTC, will be interning this fall at the Chattanooga Autism Center.

Check your museum membership card, and if it is time to renew, please join us at the Museum of Power and Industry, Inc., at Falls Mill for another year! Your membership fee and any donation you care to make are so important to us in continuing the work we have undertaken these last 32 years. Thank you for your contribution.

Check the contact/calendar page of the website fallsmill.com for special events.
